

Course: ECE 350

- Instructor: Miloš Žefran, email: mzefran@uic.edu
- Lecture delivery method: Synchronous. Lectures will be recorded.
- Laboratory delivery method: Synchronous. Written instructions will be given to the students and if necessary, a recorded pre-lab lecture will be provided. There will be no on-campus component of the Lab.
- Lab Fee [if applicable]: ~~\$50~~ For Fall 2020 the ECE department has decided to reduce the lab fee to \$25.
- How the lab will be run:
  - There will be 13 weekly lab sessions, starting in week 2 of the semester.
  - Student groups: Students will work in groups of 3 students. The labs will be online, using Matlab/Simulink. Students in the group will coordinate how to perform the Lab, but they will be encouraged to do so during the scheduled Lab hours.
  - Lab Report: Each student group will submit electronically their lab report that will be graded by the TA.
  - Interactions with TAs or Instructor: TAs will be available for questions during the scheduled lab time and during scheduled office hours. Instructor will be available during scheduled class time and during scheduled office hours. Piazza will be used for class discussions.
