

Course: **ECE 417** (Digital Signal Processing II)

- Instructor: **Rashid Ansari** (ransari@uic.edu)
- Lecture delivery method: **Blended**. Lectures will be recorded and made available to all students registered for the class through Blackboard.
- Laboratory delivery method: **Online synch**
- How the lab will be run:
 - There will be **10** lab sessions, starting in week **2** of the semester with no labs scheduled during certain weeks (Thanksgiving, last week of classes before exam week, etc.).
 - Students will work individually, and not in groups.
 - Pre-lab work: Read relevant lab manual section.
 - Post-lab work: Each student will submit the lab report electronically that will be graded by the TA following a posted rubric and the grade will be made available before the next lab session.
 - Interactions with TAs: TAs will be available for questions during the scheduled lab time. TAs and Instructor may also be reached for lab-related questions during regular office hours.
