

Course: ECE 266

- Instructor: Zhao Zhang, [zhangz@uic.edu](mailto:zhangz@uic.edu)
- Lecture delivery method: ASYNC. Lectures will be recorded and made available to all students registered for the class through Blackboard.
- Laboratory delivery method: On-campus and online synchronous (students may choose).
- Lab Fee: \$50.
- How the lab will be run:
  - There will be 13 lab sessions, starting in week 3 of the semester with a frequency of a lab every 1 week. There will be 8 lab assignments and one lab project. The lab project lasts for three weeks.
  - Student groups: Students will in groups of 2 (3 if necessary) on each lab assignment.
  - Pre-lab work: Students will watch a video before starting the lab experiment. The video will be made available at least 24 hours before the lab session.
  - Post-lab work: Each group will do a demo to their TA(s) and then submit their lab report electronically to Blackboard where it will be graded by the TA. The demo for a lab assignment is due in one week after its lab time. The grade will be made available after the lab report submission and before the next lab session.
  - Interactions with TAs or Instructor: TA(s) will be in the lab room and online helping students during the scheduled lab time. The instructor, TA and peer-help will be available via Piazza.
