

Course: ECE 467

- Instructor: Amit Ranjan Trivedi, email: amitrtr@uic.edu
- Lecture delivery method: online synch. Lectures will be recorded and made available to all students registered for the class through Blackboard.
- Laboratory delivery method: online synch
- Lab Fee [if applicable]: Not applicable
- How the lab will be run [if applicable]:
 - There will be one lab session per student, starting in week third of the semester with a frequency of a lab every week. There are two lab sessions per week to accommodate the entire class.
 - Student groups: Students will work individually in the beginning and later in a group of three students, all students will connect via Zoom.
 - Per-lab work: Students will follow classroom lectures and lab notes describing the lab flow step by step. The lab notes will be made available 24h before the lab session.
 - Post-lab work: Students will submit their design report which will be graded by TAs within a week.
 - Interactions with TAs or Instructor: TAs will be available for questions during the scheduled lab time or office hours. Instructor will be available during office hours via Zoom and via email.
 - Personal protective equipment: Not applicable.
 - Additional information: Not applicable
