

Course: ECE 468

- Instructor: Inna Partin-Vaisband, vaisband@uic.edu
- Lecture delivery method: sync online. Lectures will be prerecorded and made available to all students registered for the class through Blackboard. After each block of lectures (i.e., course topic), there will be a synchronous lecture. The synchronous sessions will be recorded and made available to all students registered for the class through Blackboard.
- Laboratory delivery method: online asynchronous
- Lab Fee: \$50.
- How the lab will be run:
 - There will be 3 lab projects and in total 11 lab sessions (3 + 4 + 4), starting in week 3 of the semester with a frequency of a lab session every 1 week.
 - Student groups: Students will work individually on each lab project.
 - Pre-lab work: Students will watch a pre-recorded video before starting the lab experiment. The video will be made available at least 24 hours before the lab session.
 - Post-lab work: Each student will submit a lab report electronically to Blackboard. The reports will be graded by the TA and the grade will be made available before the next lab project.
 - Interactions with TAs or Instructor: TA will be available online for questions during their scheduled lab time.
